Location: Ghaziabad, Uttar Pradesh

Career Objective

I am a BCA student and a passionate software developer with knowledge of PHP, JavaScript, Express.js, Next.js, React, MySQL, and PostgreSQL. While I have worked on both frontend and backend in my projects, my main interest is in backend development. I enjoy working with databases and server-side logic to build reliable and efficient solutions. Through my projects, I have gained practical experience in connecting modern frontends with strong backends, and I am eager to start my career as a backend developer.

Technical Skills

Languages & Frameworks: PHP, JavaScript (React.js, Next.js, Node.js), Laravel (basic), Python (basic)

Databases: PostgreSQL, MySQL

Tools & Platforms: Git, GitHub, Jira, Postman

Core Skills: REST API development, Backend Development, Database Connectivity

Projects

Attendance Management System
PHP | MySQL | JS

- Role-based login for Admin & Users.

- Admin: Add/Edit users, manage attendance & work reports.

- User: Mark/edit attendance, submit work, update profile.

- Built with REST APIs ensuring secure authentication & full CRUD operations.

Airline Booking System (Ongoing)
React | Express.js | PostgreSQL
Developing a dynamic airline booking platform with separate Admin & User modules.

- **Admin:** Manage flights, routes, banners, and global site settings.

- **User:** Search flights, book seats, and manage bookings.

- **Backend:** Designed and developed REST APIs using Express.js, handled PostgreSQL database design, queries, authentication, and booking logic.

- **Frontend (Support only):** Assisted teammates in implementing React-based logic (not UI/design).

- **Focused mainly on backend architecture, data flow, and security.**

Personal Portfolio Website
React, Express.js, PostgreSQL

- Built a responsive portfolio to showcase projects & skills.

- Integrated dynamic contact form with Express backend & PostgreSQL storage.

- Focused on clean UI, form validation & secure API handling.

Education

- **Bachelor of Computer Applications (BCA)**, Aadhunik Group of Institutions, Duhai, Ghaziabad — Affiliated to CCS University, Meerut | 2024 – Present *(Currently in 2nd Year)*

- Intermediate (12th), UP Board | 2022

- High School (10th), UP Board | 2020

Achievements & Interests

- Participated in Seminars and coding contests to improve problem-solving.

- Interested in improving API performance and making applications more secure.

- Enjoy exploring new backend tools and frameworks.

Extra Details

• Languages: English, Hindi
• Interests: Listening to music, solo traveling, and playing online games
